Mimi's GROUND RULES

Perched up up on the 25th floor of the dusitD2,
a couple of ground rules here at Mimi's.

*Retro, Neon, Pinks, and Pineapples are
the preferred attitude towards life at Mimi's.*

*We believe that life is meant to be fun and
our cocktail menu encourages this -- have fun with it.*

No fat washing of ingredients allowed

No foams, no tinctures, nor clarified milk cocktails

No use of the term "mixologist"

*No drinks that take longer
than cooking a steak to make*

No drinks with more ice than spirits

*We've infused several drinks
with our love of Miami.*

*By popular consensus,
1995 was the apex of cocktail making.*
