Dusit Thani BANGKOK 

Bringing Legendary Hospitality to a New Generation

## The Legacy Continues Gracious, *Now and Always*

In 1970, the opening of Dusit Thani Bangkok set a new standard for hospitality in Thailand. Now, a new era begins, rooted in heritage, reimagined for the future, and as always, gracious.

For 50 years, the flagship hotel presided over Lumpini Park and served as the community's meeting place, a hub in the heart of

the city, where milestones were celebrated, and memories were made.

In 2024, Dusit Thani Bangkok reopens in the same location to give a new generation of discerning travellers and locals a place to gather once again. The transformed flagship hotel brings classic grandeur to life and invites guests and visitors to experience its elegant hotel charm through a modern lens.

This bold new chapter is inspired by an illustrious legacy, with artful architectural nuances that harken back to the hotel's golden years. As we step into the future with design, flavours, and experiences that offer a forward-looking perspective, our gracious signature service will remain understated and refined as Dusit Thani Bangkok sets the scene for new milestones and memories.
